Education

University of California, San Diego — La Jolla, CA
Bachelor of Science in Computer Science — *Expected December 2026*

College of Staten Island, City University of New York — Staten Island, NY
Associates of Science in Liberal Arts and Sciences – GPA: 3.84 — *August 2021 - January 2024*

Technical Skills

Languages: C++, C, Java, JavaScript, Python, Google Apps Script, VBA, MATLAB, SQL, HTML/CSS
Developer Tools: Visual Studio Code, GitHub, Git, PyCharm, NumPy

Experience

Website Developer @ kpucsd.com — January 2024 – August 2024
University of California, San Diego — *La Jolla, CA*
- Utilized React & CSS to create a clean and fluid webpage, allowing hundreds of users to see club information like future meetings, events, and workshops
- Working with a team in an agile environment to develop a website for Kaibigang Pilipino, UCSD's premier Filipino club, from scratch

Undergraduate Research Assistant — September 2023 – August 2024
University of California, San Diego — *La Jolla, CA*
- Researching common deficiencies within spreadsheet applications, documenting problems found by average users
- Researching human-computer interaction within the context of spreadsheet applications, documenting user expectations and addressing inconsistencies encountered by participants during their interactions with spreadsheets
- Working on Kale, an unreleased spreadsheet software, with a focus on enhancing accessibility and usability for both casual users and data scientists

Software Intern — July 2022 – August 2022
NYC Department of Homeless Services — *New York, NY*
- Debugged code in Visual Basic for Applications and automated the categorization of over 1200 at-risk citizen concerns, issues, and comments, increasing efficiency of up to 20%
- Coordinated with citywide shelters to prioritize the most vulnerable citizens requesting housing vouchers
- Managed government email account and updated legal paperwork weekly to ensure current and accurate records

Projects

Scraping Wallpapers | *Python* — May 2023
- Developed a time-sensitive script leveraging HTTP requests to successfully download over 490 wallpapers, preserving digital assets valued by over 300 members of an online community
- Streamlined the process of gathering both the phone and desktop wallpaper options, making it more efficient to get rather than individually downloading each file

Leadership & Involvement

Social Director — August 2024 – June 2025
Association of Computing Machinery — *San Diego, CA*
- Held events connecting the undergraduate community, with dozens of members in attendance
- Assisted students in understanding the ACM mission statement as well as facilitating retention
- Developed and implemented social plans with a team of 6 others, emphasizing collaboration

Alumni Liaison — August 2024 – June 2025
Kaibigang Pilipino — *San Diego, CA*
- Held events connecting the alumni community with current undergradutes, connecting people with the club
- Hosted weekly club meetings raising awareness on overseas workers, making sure to showcase their stories and raise awareness
- Developed and implemented social plans to help membership retention with KP STAR
